WAIKARI SCHOOL NEWS – PRINCIPAL

Kia ora everyone,

Today we ran our electives programme for the first time and it was a lot of fun for everybody! Our student's are in small groups and get a lot of 1 – 1 time with the group facilitator which is just great. Many thanks to our parent/community helpers who have made this possible.

Next week, we will hold our School Book Fair in the library. Lisa White and our librarians have created a fantastic atmosphere in the school library and we have an incredible range of new books for sale. The library will be open from 8.30am – 9.00am and 3.00pm – 4.00pm Monday 7th May to Friday 11th May. During the week, we will also provide some fun activities at school for our student's with a focus on books and reading. Thank you Lisa for all of your hard work.

Last Tuesday, we ran our parent/teacher/student conferences. We had a fantastic turnout which was very pleasing. Ka pai parents and caregivers! Your support and involvement in your child/ren's education is extremely important.

To F.A.S.T, again thank you for your efforts at the latest fundraiser last weekend! I know that you still require more helpers at these events so if anyone out there can offer assistance, please ring a team member or the school, they would love to hear from you!

Please remember that as we begin to move into the colder months there is a lot of sickness around. If your child/ren displays symptoms please refrain from sending them to school. This helps us to limit the spread around the rest of our students.

Ka kite ano
